

WHAT'S NEW

Hey guys, sorry for the delay in doing a newsletter for a while. We've been really busy, which is good. Here are some pictures of what's going on around the shop. Nick Sr has a few planes for sale so if you're looking for a winter project give him a call. Current lead times for a new plane are currently 6 - 8months depending on which plane, so plan ahead.

J-3 wing tank we sent to Australia

1 - EPIC 3000 GOING TO BC

**BBI COVERING SPECIALIST
